

GBC CB30E Pro Heavy Duty Electric Punch and Comb Binding Machine

This heavy duty binding machine features an electric punch capacity of 30 sheets and effortlessly binds documents of up to 500 sheets using CombBind® spines.

The CombBind® CB30E Pro is a robust and durable electric comb binder designed to handle tasks in office, home, and school environments with medium to high volume usage demands. Its adjustable selector pins effortlessly adapt to paper sizes up to A4, offering customizable margin depths to suit your needs. Engineered for simplicity, it features a convenient clippings tray for easy disposal. With the capability to punch through up to 30 x 70gsm A4 sheets, this reliable binder can efficiently bind up to 500 sheets at a time using 51mm spines. Silver colour.
